

Good Morning everyone,

I would first like to say that this season was the best we have had to date. I am very proud to be a part of this growing club.

It was great to see so many new athletes at our little club this season and even better to see those new athletes compete at Regional Championships, and even go onto represent Mt Tarampa Little Athletics at a State level.

As Team Manager, it was exciting to watch you all compete and achieve your best. Your best is not always about winning but it is about beating yourself, achieving new Personal Best in your events is all that we ask of everyone.

The medals, trophies and certificates that you will be receiving today show that you have all done your best and achieved the best results for you. Congratulations!!

I am sorry that I can't be there today as I have other sporting commitments with my children. I know that it can be hard and exhausting at times to run between 2 or more sporting commitments for your children and I would just like to say a BIG thank you to all the Mums, Dads and Grandparents that take the time to take their child to such wonderful sporting event.

Thank you to all the parent helpers over the season on Friday competition days. The Age Marshalls really appreciate the help.

Again, I would like to say Thank you for being such a wonderful group of athletes and always doing your best. It has been a great pleasure to be Team Manager and I do hope that I will be the Team Manager for next season as well.

Thank you everyone and congratulations to all Athletes today.

Thank You

Rebecca

Team Manager and Age Marshall.
